For Grace

Dear Friends,

Please accept my warmest congratulations on the successful launch of the *Women in Pain: Gender Matters* conference.

You are doing crucial, groundbreaking work on an issue that profoundly impacts the daily lives of women and their families.

Thank you for helping to break the silence surrounding this underreported problem and for assembling a gathering in which knowledgeable people from many fields and disciplines can combine their expertise.

I wish you an exciting, productive conference and continued progress on this vitally important issue.

You are helping to make our state and our country better, healthier places for women, and for all people.

Sincerely,

A handwritten signature in cursive script that reads "Sheila Kuehl".
